WORLDWIDE 2021

## ABOUT

The Armored Combat Worldwide (ACW) is a sports league that organizes competitive matches between medieval armored combat teams, referred to as "chapters." The ACW provides a framework and support system for armored combat competition both in the United States and abroad. 2 national-level tournaments are held each year in the U.S. Also organizing international tournaments in Canada and Europe. We compete at international competitions, tours and other showcase events around the world.
